Small but impressive

Travelling together is an attractive option, even for smaller groups. Our executive minibuses combine the luxury, comfort and style of our full-size coaches. Equipped with Comfort Class seats, they offer a premium travel experience while remaining compact and flexible. We pick you up at your doorstep, so there is no need to drive or search for parking. Simply tell us about your wishes, your guests and your itinerary, and we will provide the vehicle that best suits your journey.
