Comfort Class

Our 'standard' coaches are top of the bill. With a spacious seating arrangement and an extraordinary driving quality, this model is representative for our entire fleet. With a variety of facilities on board, Royal Beuk can meet the wishes of the modern traveller. Our stylish standard coaches have our corporate identity colours blue or white with a touch of gold and are ideal for all types of trips.

Ambassadors behind the wheel

Beuk's drivers are your ambassadors on board. There are carefully selected amongst other things for their professionalism, representativeness and social awareness. They speak many foreign languages and can call on years of driving experience. Because of the in-house training in the areas of safety, driving skills, tour guiding and hospitality. Royal Beuk provides a guaranteed high level of service and knowledge with our drivers.

Go environmental friendly (CSR)

Royal Beuk's modern fleet is updated each year with new coaches. Generally Beuk coaches are equipped with Euro6 engines. Royal Beuk meets all the prescribed environmental standards and its Euro6 engines put them well ahead of the European standard. If you choose to travel with one of the Royal Beuk coaches you are making an environmentally conscious choice.
