

Adieu II

Compact luxury coach

The Adieu II offers all the luxury, comfort and amenities of a full-size VIP coach in a more compact design. Its shorter length makes it exceptionally manoeuvrable in busy city traffic, providing easy access to almost any destination. Luxurious leather seats ensure a comfortable journey, while the spacious lounge area and cosy seating with tables create the perfect setting for a game of cards or a relaxed conversation.

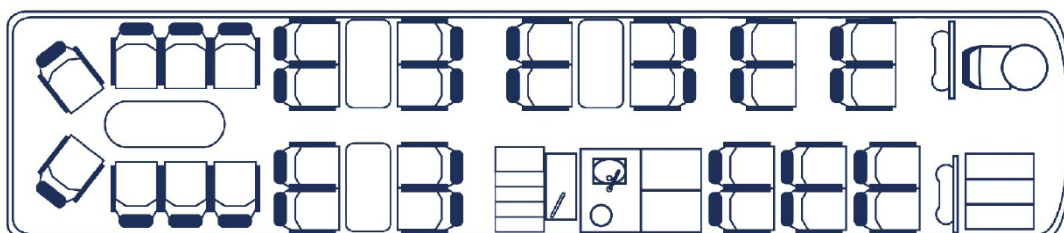

Sustainable travel

With the Adieu II, you can enjoy environmentally responsible travel. Its latest-generation Euro 6 engine complies with the strictest emission standards, helping to minimise CO₂ emissions. The coach is welcome in all low-emission zones and is part of Koninklijke Beuk's modern, environmentally friendly fleet. Choose premium, sustainable transport and make environmental responsibility part of your choice when selecting a transport partner.
